

HARASSMENT INCIDENTS

The undersigned Clifton Park Trustees deplore the recent incidents of personal harassment of a Forest Road neighbor, and call for an immediate stop to any and all such activities. Clifton Park has always been a close community with respect for our neighbors, and these regrettable incidents violate that tradition. If you have any information about the perpetrators, please contact Detective Tom McLaughlin at the Lakewood Police Department (216-529-6767), and if you notice any suspicious activity, please immediately call the Lakewood Police Department at 216-521-1234.
