

In an effort to continue an amicable relationship with our fellow beach members, the Clifton Club Board of Directors has agreed to a one-year trial *under the new rules*. This trial will allow us to evaluate whether the changes move us all in a positive direction. Fundamentally, however, we believe that the rules should be *uniform for all members*, and as such, we remain steadfast in our commitment to continue our discussions to ensure your beach access is on an equal basis.

We ask that you please read and familiarize yourself (and your family) with the rules as they become available because they will be aggressively enforced and there will be penalties levied for infractions.

If you have any questions regarding this please don't hesitate to call a member of the board to discuss your concerns---our numbers and many of our emails are in your member directory.

Sincerely,

Jeffery A. Weber,
On behalf of The Clifton Club Board of Directors
